

EVERYDAY COURAGE

A one day “Expressive Arts” workshop for high school students of all abilities.

Using a mixture of the expressive arts, students will participate together in theatrical role play, music, movement and rhythm, as well as painting and collaging their own set designs.

Led by Cindy Hawkins of the” Young Players”, youth of all abilities will come together and take an artistic journey of the imagination, sharing and communicating the COURAGE it takes,

EVERY DAY to maneuver through teen hood.
