

Get Moving!

A well rounded fitness class

Improve your quality of life. Understand the importance of a healthy lifestyle and how it affects you physically, mentally and socially. Experience different exercise from aerobics to yoga, develop a workout routine and try nourishing snacks. Bring it all together to create a wholesome way of living.

Come join other high school students, as you develop a workout routine of stretching, aerobics, fitness training and yoga. Finish off a rewarding workout with healthy and nutritious snacks that you can make at home.
